*Business in Post-Communist Russia Dec 24 2022 It is a widely held idea that Russia has completed its revolution which brought down the Soviet economy, and that many*

**companies after privatisation work as typical western companies. Another belief is that Russia has adopted a market economy but then reverted to authoritarianism. With these two ideas in mind, this book discusses the suggestion that the key element of post-Soviet economic and political reforms in the last two decades was the redistribution of assets from the state to oligarchs and the new elite. It looks at why most Russian companies could not achieve strong long-run corporate performance by analysing in detail a range of different Russian companies. The book is a useful tool for understanding the future prospects for Russian business.**

Includes shopping tips and the latest retail and dealer-invoice prices to guide readers to the best new-car deals. Original.**

**The Summer Nanny Jun 18 2022 The bestselling author of *The Beach Quilt* sets a tale of friendship, family, and newfound love against the beautiful backdrop of coastal Maine. Every June, the quiet beach town of Ogunquit is overtaken by wealthy families who hire local young women like Amy Latimer and Hayley Franklin to care for their children. Best friends since childhood, Amy and Hayley are eager to secure lucrative summer jobs to finance their future hopes and dreams . . . Amy is immediately in thrall to her dynamic boss, Cressida Prior, so different from Amy's mother, Leda. Though skilled at creating tapestries and rugs, Leda lacks confidence. But one thing she does know, after a painful summer long ago as a nanny herself, is how damaging a manipulative boss can be. Hayley's employers, Jon and Marisa Whitby, are loving parents to their two-year-old twins. Jon also has a grown son by a previous marriage. Ethan is kind, handsome, and not least, wealthy. For the first time, Hayley, usually so selfless, can't help seeing him as an opportunity. But the passing weeks bring complications and revelations, altering friendships, testing the bond between mothers and daughters, and proving that the ripples from a single season can last forever . . . Praise for the novels of Holly Chamberlin "There is sure to be much clamor for this latest beach read. Recommend it to fans of Claire Cook and Elin Hilderbrand."—Booklist on *Home for the Summer***

***“Chamberlin’s latest is a great summer read but with substance. It will find a wide audience in its exploration of sisterhood, family, and loss.”—Library Journal on Summer with My Sisters***

***Lemon-Aid Used Cars and Trucks 2012–2013 Oct 30 2020 Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don’t perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.***
