When most people think about a tablet, the first thing that comes to mind is the iPad. The iPad may have changed the way people think about tablets, but it's not the only tablet in town. There are countless Android tablets, but one that arguably beats them all: the Samsung Galaxy Tab S. The Tab S is a powerhouse that can outperform many laptop computers. And running Samsung DeX, the tablet can even turn into a desktop-like experience. If you are new to the Tab S, there's

a lot to uncover and this guide will walk through all the basics of the operating system that you need to know. It's based on the latest version of the Tab S—the Tab S 8—but aside from hardware features, the Tab S 7 and 6 are almost identical, so you'll be fine if you have a cheaper tablet. Almost everything in this guide also applies to the A series (the budget line of tablets). It's going to cover only what most people want to know—so if you are looking for something highly technical that teaches you how to set up private virtual networks, then keep looking. But if you want something that teaches you all kinds of cool tricks and helps you get started, then this book is for you. You'll learn about:

- Setting up your tablet
- Using Samsung DeX to turn your tablet into a desktop-like experience
- Installing apps and widgets
- Connecting to Wi-Fi
- Changing themes and wallpaper
- Using Gestures
- Using the camera
- Surfing the Internet
- Changing system settings
- Using Samsung Kids mode
- And much more!

Orphic gold tables are key documents for the knowledge of rites and beliefs of Orphics, an atypical group that configured a highly original creed and that influenced powerfully over other Greek writers and thinkers. The recent discovery of some tablets has forced a noteworthy modification of some points of view and a review of the different hypothesis proposed about them. The book presents a complete edition of the texts, their translation and some fundamental keys for their interpretation, in an attempt at updating our current knowledge on Orphic ideas about the soul

and the Afterlife stated in those texts. The work is improved with an appendix of iconographic annotations in which some plastic representations in drawings are reproduced related to the universe of tablets, selected and commented on by Ricardo Olmos. This book is a guide to using all of Apples iPad models such as iPad 2, iPad (3rd generation), iPad (4th generation), iPad Air, iPad Air 2, iPad Pro (12.9-inch), iPad Pro (9.7-inch), iPad (5th generation), iPad Pro (12.9-inch) (2nd generation), iPad Pro (10.5-inch), iPad (6th generation), iPad Pro (11-inch), iPad Pro (12.9-inch) (3rd generation), iPad Air (3rd generation) features exclusively. It includes everything from basic setup information to finding and installing new apps to using the iPad for communication, entertainment, and productivity. The information presented in this book is targeted at kids, teens, adolescents and adults who are either dummies, seniors or experts in tablets and cell phone uses in a very simple and explicit form. Since the introduction of the iPad in 2010, the entire world has gone tablet crazy. While Apple pretty much created the mainstream market for these devices, Microsoft actually got there first-hybrid tablet/laptops running Windows have existed since the 90s. Unlike Apple, Microsoft doesn't generally produce their own hardware; they prefer to let dozens of manufacturers fight over standards and pricing. In fact, the Surface RT is the first computer Microsoft has ever made. The Surface RT is one part of a larger reinvention of Microsoft's core product, the Windows operating system. Windows 8, a special version of which powers the new Surface Tablet, is the most significant update that Windows has ever seen. There's a little bit of a learning curve, but we're confident that by the time you finish reading this guide, you'll be singing the praises of this unique device to anyone who'll listen. Ready? Let's jump right in! Messages from the Enochian Tablets will challenge conventional wisdom and traditional thinking and may have you questioning everything you thought you knew about our existence. "When God first

spoke to the angels, He created the 'Enochian Tablets' to explain the duties of the angels. Over time, the tablet became a manuscript on how to better serve God and his plan for 'all that is, was, and will be.'" A Lightworker's Guide to Energetic Clearing, the second portion of this two-part book, explains ways to accelerate your spiritual path. Along with channeled writings and healing symbols from the Enochian Tablets, this book includes original information about raising the vibrations of crystals, a pendulum energy reading and clearing system, deactivation codes to clear and restructure complex energy, and intuitive-energy healing methods. Diana Kushenbach brings the uniqueness of her experiences as a retired police officer and an earth angel, working her spiritual path, to bring a new perspective to how we view our connection to God/Creator/Source and to bring the planet to a higher vibration. Get the Samsung Galaxy Tab 6 and enjoy top notch productivity like never before!
