Celebrate the 10th anniversary of the New York Times best-selling Gallagher Girls series with this new edition, featuring an exclusive new epilogue from Ally Carter! The last thing Cammie Morgan remembers is leaving the Gallagher Academy to protect her friends and family from the Circle of Cavan—an ancient terrorist organization that has been hunting her for over a year. But when Cammie wakes up in an alpine convent and discovers that months have passed, she must face the fact that her memory is now a black hole. The only traces left of Cammie's summer vacation are the bruises on her body and the dirt under her nails, and all she wants is to go home. Once she returns to school, however, Cammie realizes that even the Gallagher Academy now holds more questions than answers. Cammie, her friends, and mysterious spy-guy Zach must face their most difficult challenge yet as they travel to the other side of the world, hoping to piece together the clues that Cammie left behind. It's a race against time. The Circle is hot on their trail and willing to stop at nothing to prevent Cammie from remembering what she did last summer. There I was: Cammie the Chameleon--the Gallagher Girl who had risked the most sacred sisterhood in the history of espionage. For a boy. But I was through with lying. And sneaking around. I was going to be...myself. Despite Cammie's best intentions to be a normal student, danger seems to follow her. Cammie and her friends must clear her name by discovering the truth about some mysterious guests...but this time the stakes for Cammie's heart - and her beloved school - are even higher. Six years ago Maddie lived in Washington D.C. with her father, a Secret Service agent assigned to the President's family, and her best friend was Logan, the President's son; but after her father was wounded in an attempted kidnapping the two of them moved to a remote cabin in Alaska and Logan never replied to her letters--but now he has suddenly turned up on her doorstep, and, while she has no intention of forgiving him for his silence, she soon realizes that first she has to save him from the winter wilderness and the men who are pursuing him. Problem plot lines? Character chaos? Ask Ally! The definitive guide to writing from one of teen fiction's best-loved authors. Writing finally has its own agony aunt in bestselling author, Ally Carter. Always wanted to write? Not sure how to begin, or what to do with tricky characters or pesky plotlines? Ask Ally! Ally Carter is the internationally bestselling author of Gallagher Girls, Embassy Row and Heist Society. Known for her gripping plots and adventures that combine danger and glamour in equal measure, Ally knows how to write brilliant books for teen and YA readers. Now Ally and her author friends want to help YOU write the book you've always dreamed of. Part agony aunt, part writing guru, this writing guide is thoughtful, witty and best of all, useful. With advice from some of children's fiction's brightest stars including Holly Black, Cassandra Clare and Kody Keplinger. Gallagher Academy might claim to be a school for geniuses - but it's really a school for spies. Cammie Morgan is fluent in fourteen languages and capable of killing a man in seven different ways (three of which involve a piece of uncooked spaghetti). But the one thing the Gallagher Academy hasn't prepared her for is what to do when she falls for an ordinary boy who thinks she's an ordinary girl. Sure, she can tap his phone, hack into his computer, and track him through a mall without his ever being the wiser, but can Cammie have a normal relationship with a boy who can never know the truth about her? When seventeen-year-old Cammie wakes up in a convent high in the Alps, she slowly comes to realize that she's been tortured, the last four months have been erased from her mind, and an ancient terrorist organization is hunting for her. Katarina Bishop's family might be thieves, but her boyfriend Hale comes from a wealthy high society family. Can Kat convince him that there's a problem with his family's company? And is it worth saving her boyfriend's fortune, if it means losing his love? With a feisty heroine, gripping romance and thrilling adventure ... who says crime doesn't pay?! From the internationally bestselling author of Gallagher Girls and Embassy Row, a thrilling series full of intrigue, danger and romance. 'Ally Carter is an author that you simply can't miss' Gripped into Books A new series of global proportions -- from master of intrigue, NEW YORK TIMES bestselling author Ally Carter. Grace Blakely is absolutely certain of three things: 1. She is not crazy. 2. Her mother was murdered. 3. Someday she is going to find the killer and make him pay. As certain as Grace is about these facts, nobody else believes her -- so there's no one she can completely trust. Not her grandfather, a powerful ambassador. Not her new friends, who all live on Embassy Row. Not Alexei, the Russian boy next door, who is keeping his eye on Grace for reasons she neither likes nor understands. Everybody wants Grace to put on a pretty dress and a pretty smile, blocking out all her unpretty thoughts. But they can't control Grace -- no more than Grace can control what she knows or what she needs to do. Her past has come back to hunt her . . . and if she doesn't stop it, Grace isn't the only one who will get hurt. Because on Embassy Row, the countries of the world stand like dominoes, and one wrong move can make them all fall down. Julia James was on a winning streak. The hot self-help author of the single-girl's guide 101 Ways to Cheat at Solitaire had millions in the bank and a boyfriend on the Hollywood A-list. But when her books drop off the bestseller list and her famous boyfriend moves to L.A., Julia must discover how a woman who became famous for being single can win at a game made for two. Katarina Bishop and W.W. Hale the Fifth were born to lead very different lives - her family are criminal masterminds, while he comes from an apparently perfect dynasty. But both families know how to stay under the radar while getting - or stealing - whatever they want. When Hale unexpectedly inherits his grandmother's billion-dollar corporation, he quickly learns that there's no place for Kat and their old heists in his new role. But Kat won't let him go that easily, especially after she is tipped off about an elaborate con to steal the company's fortune. Instead of being the heir, this time Hale might be the mark. Kat is prepared to do the impossible, but first she has to decide. Is she willing to save her boyfriend's company if it means losing the boy? Product Description: I don't mean to get into trouble. Trouble just sort of finds me. Grace has been shipped off to stay with her diplomat Grandpa in the glittering Embassy Row, a place where trespassing into the wrong garden can cause an international incident. Grace knows the rules - she's ignored them before - but however much she wants to change, she can't. Not while she's certain of three things: 1. She isn't crazy. 2. Her mother was murdered. 3. Someday she's going to find the man with the scar, and then she is going to make him pay. About the Author: Ally Carter writes books about spies, thieves, and teenagers. She is the New York Times best-selling author of the hugely popular Gallagher Girls series, including *I'd Tell You I Love You but Then I'd Have to Kill You*, *Cross My Heart and Hope to Spy*, *Don't Judge a Girl by Her Cover*, and *Only the Good Spy Young*. She lives in the Midwest where her life is either very ordinary or the best deep-cover legend ever. She'd tell you more, but...well...you know. For as long as she can remember, Katarina has been a part of the family business—thieving. When Kat tries to leave “the life” for a normal life, her old friend Hale conspires to bring her back into the fold. Why? A mobster’s art collection has been stolen, and Kat’s father is the only suspect. Caught between Interpol and a far more deadly enemy, Kat’s dad needs her help. /DIVDIVThe only solution is to find the paintings and steal them back. Kat’s got two weeks, a teenage crew, and hopefully enough talent to pull off the biggest heist in her family’s history—and, with any luck, steal her life back along the way. With its glamorous international settings, intriguing suspense, complicated cons and even more complicated romance, Heist Society is stealing the hearts of Ally Carter fans everywhere. In this book consisting of real writing questions from real teens, in-depth answers in Ally's voice, and occasional, brief answers from guest authors, Ally Carter gives teens the definitive how-to guide on writing their first novel. From getting started, to creating conflict, all the way through to a guide to the publishing industry, Ally covers it all. Celebrate the 10th anniversary of the New York Times best-selling Gallagher Girls series with this new edition, featuring an exclusive new epilogue from Ally Carter! Cammie Morgan has lost her father and her memory, but in the heart-pounding conclusion to the best-selling Gallagher Girls series, she finds her greatest mission yet. Cammie and her friends finally know why the terrorist organization called the Circle of Cavan has been hunting her. Now the spy girls and Zach must track down the Circle's elite members to stop them before they implement a master plan that will change Cammie-and her country-forever. Get ready for the Gallagher Girls' most astounding adventure yet as the series comes to breathtaking conclusion that will have readers racing to the last page. Five orphans. Two sword-wielding vigilantes. One mansion. No rules. April thought she had her happy ending. After all, she has her new house and new friends and new guardian. But she also has a very big new secret. The kids of Winterborne House are the only ones who know that Gabriel Winterborne--famous billionaire and terrible cook--is really a sword-wielding vigilante. What they don't know is that he's not the only one. When a masked figure breaks in, looking for something--or someone--it's clear that Gabriel has met his match, and now no one is safe. April and her friends will have to solve a decades-old mystery in order to hang on to the most important thing in the world: each other. Cammie Morgan arrives in Boston, where Macey's father is about to receive the vice presidential nomination. The girls soon find themselves trapped in a kidnapping plot, in the third installment of the Gallagher Girls series. Normal. I liked the sound of that. Sure, as the daughter of two secret agents, I didn't really know what normal meant, but that didn't matter. Normal was my new mission. Cammie wakes up in an Alpine convent having lost her memory of the whole summer. She and her friends must travel to the other side of the world, trying to piece together the clues that Cammie left behind. But there are people hunting Cammie - people who will stop at nothing to protect their secrets ... The Gallagher Academy for Exceptional Young Women is a fairly typical all-girls school -- that is, if every school taught advanced martial arts in PE, the latest in chemical warfare in science; and students received extra credit for breaking CIA codes in computer class. In truth, Gallagher Academy might claim to be a school for geniuses -- but it's really a school for spies. Cammie Morgan is a second-generation Gallagher Girl, and by her sophomore year she's already fluent in fourteen languages and capable of killing a man in seven different ways (three of which involve a piece of uncooked spaghetti). But the one thing the Gallagher Academy hasn't prepared her for is what to do when she falls for an ordinary boy who thinks she's an ordinary girl. Sure, she can tap his phone, hack into his computer, and track him through a mall without his ever being the wiser, but can she have a regular relationship with a boy who can never know the truth about her? Cammie may be an elite spy in training, but in her sophomore year, she's beginning her most dangerous mission -- she's falling in love. Covert Operations 101 Most people know the Gallagher Academy for Exceptional Young Women as a school for the elite--manicured lawns, limo-lined driveway, and the best faculty in the country. But they have no idea what really goes on behind the ivy, or what the

brochures mean by "exceptional"--that the Gallagher Academy is actually a highly classified school for spies. The Gallagher Girls may be prodigies in espionage, but there are some mysteries even a genius I.Q. and serious combat skills can't help solve--like how to keep your heart undercover.... Join CIA legacy Cammie Morgan and her fellow spies-in-training as they take their covert talents from the classroom to the field. Here's the thing about covert operations: the really bad things always happen when you least expect them. The enemies don't give you a heads-up. And they never let you stop to put on comfortable shoes. A spy-in-training, Cammie Morgan has a cover for every occasion. But what happens when she is forced to lose her cover to save her best friend, Macey? Cammie and her friends are determined to hunt down the group that threatens to tear their secret sisterhood apart. This time it's personal. Don't miss a moment of the beloved New York Times bestselling series where spies-in-training navigate double crosses, secret missions, friendship, and first love--now with a bonus epilogue! After the excitement of the fall, all Cammie Morgan wants is peaceful semester at school. But that's easier said than done when you're a CIA legacy and go to the premier school in the world...for spies. Cammie may have a genius I.Q., but there are still a lot of things she doesn't know. Like, how much trouble is she really in after what happened last semester? What will happen with Josh? And above all, why is her mother acting so strangely? Despite Cammie's best intentions to be a normal student, danger seems to follow her. She and her friends learn that their school is going to play host to some mysterious guests--code name: Blackthorne. Then she's blamed for a security breach that leaves the school's top secret status at risk. Soon, Cammie and her friends are crawling through walls and surveilling the school to learn the truth about Blackthorne and clear Cammie's name. Even though they have confidence in their spy skills, this time the targets are tougher (and hotter), and the stakes for Cammie's heart--and her beloved school--are higher than ever. For the past three years, Grace Blakely has been desperate to find out the truth about her mother's murder. She thought it would bring her peace. She thought it would lead her to answers. She thought she could put the past to rest. The sixth book in the Gallagher Girls series takes Cammie and her spy-school friends on another wildly entertaining mission. With new assignments, new targets and new missions, this is an explosive finale to the globally bestselling series. When Cammie Morgan enrolled at the Gallagher Academy for Exceptional Young Women, she knew she was preparing for the dangerous life of a spy. She just didn't know that life would start during her junior year of high school. But that's exactly what happened when Cammie faced off against a mysterious organisation called the Circle of Cavan. Now ev... "A unique, delightful, hilarious, unputdownable romance... I'm wonderstruck by *The Blonde Identity!*" — Ali Hazelwood, New York Times bestselling author of *The Love Hypothesis* The New York Times bestselling YA author of the beloved Gallagher Girls series bursts onto the adult scene with a fast-paced, hilarious road trip rom-com about a woman with amnesia who discovers she's the identical twin sister of a rogue spy... and must team up with a rugged, grumpy operative to stay alive. It's the middle of the night in the middle of Paris and a woman just woke up with no memory. She only knows three things for certain: 1. She has a splitting headache. 2. The hottest guy she has (probably) ever seen is standing over her, telling her to run. And oh yeah... 3. People keep trying to kill her. She doesn't know who. Or why. But when she sees footage of herself fighting off a dozen men there's only one explanation: obviously. . . she's a spy! Except, according to Mr. Hot Guy, she's not. She's a spy's identical twin sister. Too bad the only person who knows she's not the woman they're looking for is this very grouchy, very sexy, very secret agent who (reluctantly) agrees to help her disappear. That's easier said than done when a criminal organization wants you dead and every intelligence service in the world wants you caught. Luckily, no one is looking for a pair of lovesick newlyweds on their honeymoon. And soon they're lying their way across Europe—dodging bullets and faking kisses as they race to unravel a deadly conspiracy and clear her sister's name. But with every secret they uncover, the truth shifts, until she no longer knows who to trust: the twin she can't remember or the mysterious man she can't let herself forget... "Spies! Amnesia! And banter that'll make you chant "Kiss! Kiss! Kiss!" No one writes an action rom-com quite like Ally Carter." – Rachel Hawkins, New York Times bestselling author of *The Wife Upstairs* Self-help guru Julia James has made a lot of money being single--but she soon discovers that money isn't everything. "April thought she had her happy ending. After all, she has her new house and new friends and new guardian. But she also has a very big new secret. Niece. Daughter. Thief. But for the last two months she's simply been known as the girl who ran the crew that robbed the greatest museum in the world. That's why Kat isn't surprised when she's asked to steal the infamous Cleopatra Emerald so it can be returned to its rightful owners. There are only three problems. First, the gem hasn't been seen in public in thirty years. Second, since the fall of the Egyptian empire and the suicide of Cleopatra, no one who holds the emerald keeps it for long - and in Kat's world, history almost always repeats itself. But it's the third problem that makes Kat's crew the most nervous, and that is...the emerald is cursed. Kat might be in way over her head, but she's not going down without a fight. After all, she has her best friend -- the gorgeous Hale - and the rest of her crew with her as they chase the Cleopatra around the globe, dodging curses and realizing that the same tricks and cons her family has used for centuries are useless for this heist. This time, Kat's going to have to make up her own rules...
