List of members in v. 5-6, 9, 11-33. Educational Assessment in a Time of Reform provides background information on large-scale examination systems more generally and the South African examination specifically. It traces the reforms in the education system of South

Africa since 1994 and provides a description of the advances in modern test theory that could be considered for future standard setting endeavours. At the heart of the book is the debate on whether the current standard of education in Africa is good enough . If not, then how can it be improved? The aim of this book is to provide a point of departure for discussions on standard-setting, quality assurance, equating of examinations and assessment approaches. From this point of departure recommendations for practices in general and the exit-level (Grade 12) examination results in particular

can be made. This book is ideal reading for principals, teachers, academics and researchers in the fields of educational assessment, measurement, and evaluation. Benefits of book which distinguish it from others: • 100% Updated With 2022 Paper-1 & 2 Fully Solved • Extensive Practice With 10 Sample Question Papers • 100% Exam Readiness With "highly Probable" SQPs(with a success rate of more than 87% in 2022) • Crisp Revision With Mind Maps, Mnemonics & Appendix • Valuable Exam Insights With Subjective Trend Analysis.
