Joseph Monsato, owner of the Blindfold Club, meets Noemi at another of his clubs and they begin a relationship that will become his obsession. A PopSugar Must-Read for October! In this finger-licking

good rom-com, two is the perfect number of cooks in the kitchen. Nikki DiMarco knew life wouldn't be all sunshine and coconuts when she quit her dream job to help her mom serve up mouthwatering Filipino dishes to hungry beach goers, but she didn't expect the Maui food truck scene to be so eat-or-be-eaten—or the competition to be so smoking hot. But Tiva's Filipina Kusina has faced bigger road bumps than the arrival of Callum James. Nikki doesn't care how delectable the British food

truck owner is—he rudely set up shop next to her coveted beach parking spot. He’s stealing her customers and fanning the flames of a public feud that makes her see sparks. The solution? Let the upcoming Maui Food Festival decide their fate. Winner keeps the spot. Loser pounds sand. But the longer their rivalry simmers, the more Nikki starts to see a different side of Callum...a sweet, protective side. Is she brave enough to call a truce? Or will trusting Callum with her heart mean jumping from the frying pan into the fire? “Without a doubt . . . one of the most intense suspense writers around.”—Chicago Tribune “[Tami Hoag] demonstrates

just why she has become one of the hottest names in the suspense game. Bottom line: Leaves competition in the dust.”—People He performs his profane ceremony in a wooded Minneapolis park, anointing his victims, then setting the bodies ablaze. He has already claimed three lives, and he won’t stop there. Only this time there is a witness. But she isn’t talking. Enter Kate Conlan, former FBI agent turned victim/witness advocate. Not even she can tell if the reluctant witness is a potential victim or something more troubling still. Her superiors are interested only because the latest victim may be the daughter of Peter Bondurant, an enigmatic

billionaire. When Peter pulls strings, Special Agent John Quinn gets assigned to the case. But the FBI’s ace profiler of serial killers is the last person Kate wants to work with, not with their troubled history. Now she faces the most difficult role of her career—and her life. For she’s the only woman who has what it takes to stop the killer . . . and the one woman he wants next. “You’ll want to lock the doors while you’re reading.”—Minneapolis Star Tribune “An up-all-night read.”—The Detroit News When lighthouse keeper Hannes Harker is posted to a remote island with his young wife, he discovers something

long-hidden in the tower that causes him to lose his footing and fall. Seriously injured, Hannes is evacuated to hospital and nursed back to health by Sister Rika, to whom he haltingly tells the story of his life: of his mother's mysterious death, of his wild young wife, Aletta, and of the desolate island inhabited only by the lighthouse keepers and guano workers - two communities confined together, yet rigidly separated in one of the bleakest places on earth. With the arrival of a figure from Aletta's past, her own secrets erupt into the present, just as the simmering tensions and injustices endured for so long by the guano workers erupt

into a single, shocking act of violence. Written in the exquisite, haunting prose for which Marguerite Poland is renowned, *The Keeper* is the story of two generations of lighthouse keepers - men obsessed by their duty to the light - and the wives who accompany them into a life of frightening isolation. *The Keeper* is a novel about the power of secrets, the power of love, and the power of stories. 2015 Goodreads Choice Award Semifinalist for Best Debut "Haven't you ever been in love?" "You mean that stupid, insane, sickly infatuation one gets when they can't eat and can't sleep because they only think of him?" "That's the one."

John Taylor is a beautiful and dangerous man, but also a deeply damaged soul, bound to his tormented past. Kelly Flynn is restrained by troubling ties of her own. She is suffering from the "Fatal Female Flaw" when ordinarily sensible women fall madly in love with an unattainable man who can't, or won't, love them back. There's no possible way Kelly can ever break through John's defenses to the tortured soul beneath... or can she? A forbidden love story about fate, heartache, and second chances. He was my best friend's older brother. My first love, who left without so much as a goodbye. Eight years later, I've said yes to marrying

another man-the ever-so-perfect Julian Baker. I'm finally ready to let go of my past for a new future. But like all gut-wrenching love triangles, my past and future collide in a cruel twist of fate. Inside a busy restaurant, he's sitting at the table next to me wearing a jealous stare. And I'm forced to face the man who destroyed my heart in high school. Lex Edwards, now billionaire tycoon, won't back down easily. He's ruthless, cunning, and no longer the sweet and loving college graduate studying to become a doctor. Just like me, our tumultuous affair broke him. But now, he is hell-bent on winning me back. And Lex Edwards will stop at nothing to

prove just how powerful our love is, even if it means we need to relive the past... Isolated by the dark secrets he carries, Grant Wilkinson, the damaged and decorated war hero, has always seen himself as a monster. He's finally getting his life on track by embracing the help he needs from Renata Koreman, the equally damaged little mouse. André Chevalier saw Grant and Renata's ragged edges as puzzle pieces that would fit flawlessly together. He made the right decision when he put the Monster and the Mouse together. There's just one problem: Did Grant murder his father? Emily Malone snuck into my life, slipped under my

skin, and right into my heart. Little did I know that danger and death tagged along with her, following in her innocent wake. I'm always in control - but not with her. Emily makes me doubt myself because she's so important to me. Em knows nothing of the lifestyle. I know she's submissive, but I must take it slow. Gradually, step-by-step, I'll teach her to enjoy my particular brand of kink, my unique darker needs. She'll learn to love what I love. What I need. That is if both of us live long enough to complete her training. Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her

birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway." What is the sexy, brooding Alpha going to do? The elders are making him hold

these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared. "There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When

these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other? As the only ER doctor this side of Fallujah, Iraq, Jack Curren is a very busy man. When he's unable to save the life of his wounded medic, the soldier's dying request is for Jack to personally deliver his wedding ring to Laura, his newlywed bride. He vows to do so the moment he returns home. Jack's been through Hell on

earth, while Laura's a feisty, stubborn survivor of her own personal Hell. She's got a mind of her own, and she's no victim—but what is she so afraid of? Despite their growing attraction, there's just one thing the young widow doesn't know about her husband's death: Jack Curren is the one who got him killed. This tight end is at the top of his game. He's good with his hands, even better with his sexy mouth, and the best at making me forget my own name. His—ahem—stats are perfect. But I can't fall for him. He might be everything I want, all rolled into a glorious package of gridiron god, but there's one teeny-tiny problem.

The vile, loathsome team I've spent my entire life hating—my beloved school's arch-rival? This guy is their star player. 'A work of near heroic vitality and cunning' Sunday Telegraph At sixty-four Mickey Sabbath is still defiantly antagonistic and exceedingly libidinous; sex is an obsession and a principle, an instrument of perpetual misrule in his daily existence. After one night of weakness, Mister finds her entire life has changed, even if she can't yet accept all the changes occurring within her are real. When the emotional

scars of losing her innocence are more lasting than she imagined, Mister turns to a book of her mother's, which contains poems from Mary's perspective. As both Mister and Mary's voices play out in the story, a full and meaningful portrait of Christian faith, trust, and forgiveness emerges, along with the truth that God can use even the most unplanned events in our lives for his greater glory. He's had a career and a single marriage, a calm divorce. He's certainly never tried to hurt anybody. Memory, though, is imperfect. It can always throw up surprises, as a lawyer's letter is about to prove. John Malcolm, high school football hero and Princeton graduate

Failure meant not only bankruptcy and disgrace à la Nick Leeson, but potentially even death - at the hands of the Japanese Yakuza: one of the world's most notoriously violent organised crime syndicates. Ugly Americans tells Malcolm's story, and that of others like him, in a high octane book, filled with glamour, money and the
