**737 Performance Reference Handbook - EASA Edition** Jul 27 2020 NOW ALSO AVAILABLE AS iPad APP (continuously updated). CHECK THE APPSTORE for B737 PRH! The book (edition 2014) is NOT being updated! This handbook explains European aircraft performance rules (EASA) for large civil twin aircraft (Class A) in general and for the Boeing 737NG in special. It contains lots of colourful pictures and operational information for the airline pilot. "An excellent book which finally simplifies and brings together aircraft performance information." "It is the best performance book I ever held in my hands. Just brilliant!" "This book makes 737 performance transparent and understandable." "A must for every 737 pilot!"

737 Classic Pilot Handbook Mar 27 2023 Created for the professional Boeing 737 (300-500 series) airline pilot, this pilot handbook is actually a condensed training manual and is designed to assist the pilot candidate in preparation for the simulator check-ride. Written in a style that is both interesting and informative; it is filled with graphics and easy to understand descriptive text. While the material in it is specifically directed at the professional airline pilot; it has proven to also very be very popular with flight simmers and other interested aviation aficionados.
