*City of Shadows*  
**Philosophy &  
Education** A Lady's  
Guide to Gossip and  
Murder

The adventurous Countess Harleigh finds out just how far some will go to safeguard a secret in Dianne Freeman's latest witty and delightful historical mystery . . . Though American by birth, Frances Wynn, the now-widowed Countess of Harleigh, has adapted admirably to the quirks and traditions of the British aristocracy. On August twelfth,

otherwise known as the Glorious Twelfth, most members of the upper class retire to their country estates for grouse-shooting season. Frances has little interest in hunting—for birds or a second husband—and is expecting to spend a quiet few months in London with her almost-engaged sister, Lily, until the throng returns. Instead, she's immersed in a shocking mystery when a friend, Mary Archer, is found murdered. Frances

had hoped Mary might make a suitable bride for her cousin, Charles, but their courtship recently fizzled out. Unfortunately, this puts Charles in the spotlight—along with dozens of others. It seems Mary had countless notes hidden in her home, detailing the private indiscretions of society's elite. Frances can hardly believe that the genteel and genial Mary was a blackmailer, yet why else would she horde such juicy tidbits? Aided by

her gallant friend and neighbor, George Hazelton, Frances begins assisting the police in this highly sensitive case, learning more about her peers than she ever wished to know. Too many suspects may be worse than none at all—but even more worrying is that the number of victims is increasing too. And unless Frances takes care, she'll soon find herself among them . . . “Engrossing . . . Freeman takes a witty look at Victorian polite society. Historical mystery fans will be delighted.” —Publishers Weekly Liam O'Connor should have died at sea in 1912. Maddy Carter

should have died on a plane in 2010. Sal Vikram should have died in a fire in 2026. But all three have been given a second chance - to work for an agency that no one knows exists. Its purpose: to prevent time travel destroying history . . . Hunted by cyborg assassins from the future, the TimeRiders must abandon New York and go on the run. They escape to Victorian London and the streets where Jack the Ripper roams. But, before they can establish their new base, they make their most shattering discovery yet - and it will change everything . . . \*\* Book six in the bestselling TimeRiders series

by Alex Scarrow. \*\* Victorian London's Jack the Ripper get a time-travel makeover! \*\* Perfect for fans of Doctor Who and Sherlock Holmes. \*\* TimeRiders (Book 1) won the Red House Book Award older readers category, and was Penguin UK's first ever number one on the iBookstore. \*\* [www.time-riders.co.uk](http://www.time-riders.co.uk)
