The essential guide to building a culture of creativity and innovation throughout an organization Your help is needed to crack an unsolved crime: creative thinking is critical for future fulfillment and survival, and yet it is now declining at an alarming rate. In this original mystery-style approach, you will have the opportunity to match your knowledge against that of the latest brain researchers, psychologists, and sociologists as you are taken on a humorous and often startling journey to discover why creativity is dying an untimely death. The '7 Rescue Strategies' then provide proven innovation solutions, from personal issues through to organizational imperatives. Authors Andrew and Gaia Grant have travelled the world for more than 25 years working with more than 20,000 international keynote and workshop participants in more than 30 countries at all levels. With a fascinating forensic approach, revealing carefully researched facts and anecdotal insights, this is a compelling modern tale. And there is a final twist that will leave you wondering.... Can we really live happily ever after? Windows 10 hit the scene in 2015 with an all-new web browser (Edge), the Cortana voice assistant, and universal apps that run equally well on tablets, phones, and computers. Now, the Creators Update brings refinement and polish to Windows 10—and this jargon-free guide helps you get the most out of this supercharged operating system. Windows 10: The Missing Manual covers the entire system, including all the new features, like the three-column Start menu, the extensions in the Microsoft Edge browser, Paint 3D, and live game broadcasting. You'll learn how to: Explore the desktop, including File Explorer, Taskbar, Action Center, and Cortana Work with programs and documents, Windows starter apps, the Control Panel, and 3D apps Connect with Edge and email Beef up security and privacy Set up hardware and peripherals, including tablets, laptops, hybrids, printers, and gadgets Maintain computer health with backups, troubleshooting tools, and disk management Learn about network accounts, file sharing, and setting up your own small network Written by David Pogue—tech critic for Yahoo Finance and former columnist for The New York Times—this updated edition illuminates its subject with technical insight, plenty of wit, and hardnosed objectivity. You can count on Rick Steves to tell you what you really need to know when traveling in Ireland. With this guide, you can explore lively Dublin, quaint Kilkenny, and the moss-draped ruins of the Ring of Kerry.
