Even the least technical among us are being pressed from all sides by advances in digital technology. We rely upon computers, cell phones, and the Internet for communication, commerce, and entertainment. Yet even though we live in this “instant message” culture, many of us feel disconnected, and we question if all this technology is really good for our souls. In a manner that’s accessible, thoughtful, and biblical, author Tim Challies addresses questions such as: • How has life—and faith—changed now that everyone is available all the time through mobile phones? • How does our constant connection to these digital devices affect our families and our church communities? • What does it mean that almost two billion humans are connected by the Internet ... with hundreds of millions more coming online each year? Providing the reader with a framework they can apply to any technology, Tim Challies explains how and why our society has become reliant on digital technology, what it means for our lives, and how it impacts the Christian faith. By anchoring your understanding of productivity in God’s plan, What’s Best Next gives you a practical approach for increasing your effectiveness in everything you do. There are a lot of myths about productivity--what it means to get things done and how to accomplish work that really matters. In our current era of innovation and information overload, it may feel harder than ever to understand the meaning of work or to have a sense of vocation or calling. So how do you get more of the right things done without confusing mere activity for actual productivity? Matt Perman has spent his career helping people learn how to do work in a gospel-centered and effective way. What’s Best Next explains his approach to unlocking productivity and fulfillment in work by showing how faith relates to work, even in our everyday grind. What’s Best Next is packed with biblical and theological insight and practical counsel that you can put into practice today, such as: How to create a mission statement for your life that’s actually practicable. How to delegate to people in a way that really empowers them. How to overcome time killers like procrastination, interruptions, and multitasking by turning them around and making them work for you. How to process workflow efficiently and get your email inbox to zero every day. How to have peace of mind without needing to have everything under control. How generosity is actually the key to unlocking productivity. This expanded edition includes: a new chapter on productivity in a fallen world a new appendix on being more productive with work that requires creative thinking. Productivity isn’t just about getting more things done. It’s about getting the right things done--the things that count, make a difference, and move the world forward. You can learn how to do work that matters and how to do it well. Sick of porn? Time to detox. A huge percentage of men need a porn detox, a moral and psychological reset. Do you? If so, whether you know it or not, pornography has corrupted your thinking, weakened your conscience, warped your sense of right and wrong, and twisted your understanding and expectations of sexuality. You need a reset by the One who created sex. In this book, I hope to help you reorient your understanding of sex, both in the big picture and in the act itself, according to God’s plan for this great gift. I want to help you detox from all the junk you’ve seen, all the lies you’ve believed. This is not an easy process. It is rarely a quick process. It involves a letting go of old realities and an embrace of a new normal. To be willing to go through it you need to see how bad your current situation really is, and how the path you are on leads no place good. You need to see that the path of porn leads only to more isolation, guilt, alienation, and pain. Whether single or married, such a reset to normal is the only thing that can ever equip you to become a pure, loving, attentive, sacrificial husband. But you already know you need to change. Few Christian men indulge in porn without realizing they need to quit. Every Christian guy who looks at porn wants to stop, but many of us want to stop just a little bit less than we want to keep going. The problem isn’t knowledge-it’s desire and ability. So sin prevails. Here’s a promise. You’ll never stop until you begin to see the monstrous nature of the sin you’re committing. You’ll never stop until the sin is more horrifying to you than the commission of the sin is enjoyable. You’ll need to hate that sin before you can find freedom from it. That means you need more grace. You need to cry out to be changed and to see the monstrous nature of this sin. And then you need to behave in faith that God will meet you with grace as you act to cut off the porn and begin the reset. -Tim Challies Are you growing in godliness? How would you know? A good place to begin is understanding and imitating the character qualifications the Bible lays out for elders. While elders are meant to exemplify these traits, all Christians are to display them. And, with just one exception, each of them is related to our moral character. Ruth Tucker recounts a harrowing story of abuse at the hands of her husband—a well-educated, charming preacher no less—in hope that her story would help other women caught in a cycle of domestic violence and offer a balanced biblical approach to counter such abuse for pastors and counselors. Weaving together her shocking story, stories of other women, and powerful stories of husbands who truly have demonstrated Christ’s love to their wives, with reflection on biblical, theological, historical, and contemporary issues surrounding domestic violence, she makes a compelling case for mutuality in marriage and helps women and men become more aware of potential dangers in a doctrine of male headship. It isn’t easy being a guy today. Maybe it never has been easy, but today the challenges to guys who want to be holy, who want to honor God with their minds and bodies, seem tougher than ever. You live at a time and in a culture that seems given over to sex. It is all around you and you can hardly avoid its lure. Everywhere you go today you are faced with temptations and, if you are like most young men, have begun to give in to them. Perhaps you have only just begun looking at pornography or perhaps you’ve been doing so for many years. Perhaps you are struggling with masturbation, not really wanting to indulge yourself but finding that it’s a whole lot tougher to quit than you would have thought. Perhaps you are finding that, more than ever, sex is filling your mind and impacting your heart. This booklet is intended specifically for young men—those who are not yet married but who hope to be married in the future. Maybe you are still single or maybe you have found the woman of your dreams and are close to settling down and building a life with her. Maybe she still seems a long way off. No matter your situation, I want to use this short guide to help you discover God’s plan for sex and sexuality. I want to help you track down the lies you have believed about sex and I want to help you replace them with truth that comes straight from God, the one who created sex for us. In this booklet I hope to guide you through *The Shack*. We will look at the book with a charitable but critical eye, attempting to understand what it teaches and how it can be that opinions about the book vary so widely. We do this not simply to be critical, but as an exercise in discernment and critical thinking. We will simply look at what the author teaches and compare that to the Bible. I love to read. I hate to read. I don’t have time to read. I only read Christian books. I’m not good at reading. There’s too much to read. Chances are, you’ve thought or said one of these exact phrases before because reading is important and in many ways unavoidable. Learn how to better read, what to read, when to read, and why you should read with this helpful guide from accomplished reader Tony Reinke. Offered here is a theology for reading and practical suggestions for reading widely, reading well, and for making it all worthwhile. We are all children of someone, we ought to pursue God’s blessings, and we need to give prominence to God’s prominent command. Thus, we can no longer ignore the forgotten Fifth Commandment: Honor your father and mother. In the home, church, and workplace, it provides a stable foundation for society, and we fail to appreciate its relevance. Drawn from a rich heritage, *Spiritual Disciplines for the Christian Life* will guide you through a carefully selected array of disciplines. By illustrating why the disciplines are important, showing how each one will help you grow in godliness, and offering practical suggestions for cultivating them, *Spiritual Disciplines for the Christian Life* will provide you with a refreshing opportunity to become more like Christ and grow in character and maturity. Now updated and revised to equip a new generation of readers, this anniversary edition features in-depth discussions on each of the key disciplines. We live in a visual culture. Today, people increasingly rely upon visuals to help them understand new and difficult concepts. The rise and stunning popularity of the Internet infographic has given us a new way in which to convey data, concepts and ideas. But the visual portrayal of truth is not a novel idea. Indeed, God himself used visuals to teach truth to his people. The tabernacle of the Old Testament was a visual representation of man’s distance from God and God’s condescension to his people. Each part of the tabernacle was meant to display something of man’s treason against God and God’s kind response. Likewise, the sacraments of the New Testament are visual representations of man’s sin and God’s response. Even the cross was both reality and a visual demonstration. As teachers and lovers of sound theology, Challies and Byers have a deep desire to convey the concepts and principles of systematic theology in a fresh, beautiful and informative way. In this book, they have made the deepest truths of the Bible accessible in a way that can be seen and understood by a visual generation. Each of these new “commandments” is partly true and may sound good until you look closely. For liberal Christianity never goes away, it just gets repackaged. If the church is going to hold fast to “the faith that was once for all delivered to the saints” (Jude 3), we must, in every era, be able to distinguish the true faith from the false. The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such “habits of grace” are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it’s hearing God’s voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God’s glory and stir our hearts for lifelong service in his name. What’s more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God’s children today. “The church has needed this book for a long time.” — Russell Moore If you are considering the ministry, there are two mistakes to avoid. The first is taking up a calling that isn’t yours. The second is neglecting one that is. *Discerning Your Call to Ministry* will help you know the difference. A tool for seminary students, pastors-in-training, and even current pastors, it serves to confirm or prompt deep thought about the calling to ministry through 10 probing questions, including: Do you desire the ministry? Does your church affirm your calling? Do you love the people of God? Are you willing to surrender? Pastoral dropout rates are high, and seminary admission rates are declining—signs that many of us don’t quite know what we’re signing ourselves up for. Author Jason Allen, a former pastor and the president of North America’s fastest growing seminary, gives readers a better picture of the calling. Presenting a series of diagnostic questions informed by Scripture, church history, and his own experience, he helps those seeking ordination or ministry positions make confident decisions about their service to God, one way or the other. In a society that is hostile to anyone who declares absolutes, that tolerates faith in any form, that values emotion over reason and trendiness over conviction, it’s no surprise that many American churches have lost their ability to discern between biblical truth and doctrinal error. John MacArthur attempts to set them straight. The Bible teaches us that we are to be filled with God’s Spirit and that God’s presence and grace is manifested among his people as they serve, love, and minister to one another. Yet some of the gifts that God offers to his people aren’t commonly seen in many churches today. Gifts of prophecy, healing, tongues, and other supernatural gifts of God seem to be absent, and many Christians are unsure how to cultivate an atmosphere where God’s Spirit can work while remaining committed to the foundational truth of God’s Word. How can Christians pursue and implement the miraculous gifts of the Spirit without falling into fanatical excess and splitting the church in the process? In *Practicing the Power*, pastor and author Sam Storms offers practical steps to understanding and exercising spiritual gifts in a way that remains grounded in the word and centered in the gospel. With examples drawn from his forty years of ministry as a pastor and teachers, Storms offers a guidebook that can help pastors, elders, and church members understand what changes are needed to see God move in supernatural power and to guard against excess and abuse of the spiritual gifts. If you long to see God’s Spirit move in your church and life, and aren’t sure why that isn’t happening or where to begin, this book is for you. Does God Have a Perfect Will for Your Life? Does God have a perfect will for each Christian? Can you be absolutely certain of God’s specific will for your life? In this expanded twenty-fifth anniversary edition of his highly acclaimed work, Garry Friesen examines the prevalent view on God’s will today and provides a sound biblical alternative to the traditional teaching of how God guides us. This new edition includes these helpful resources: • Study guide for small groups • Responses to Frequently Asked Questions • Guide to painless Scripture memorization Friesen tackles the very practical issues of choosing a mate, picking a career, and giving in this fresh and liberating approach to decision making and the will of God. *Story Behind the Book* Most Christians have been taught how to find God’s will, yet many are still unsure whether they’ve found it. God does guide His people, but the question is, “How does He guide?” After “putting out a fleece” to decide which college to attend, Garry Friesen began pondering why it was so hard to find God’s will when he had so sincerely sought it. Was he the only one who did not have 100 percent clarity for every decision? Then a new possibility struck—perhaps his understanding of the nature of God’s will was biblically deficient. Maybe there was a better way to understand HOW God guides. We live in a visual culture. Today, people increasingly rely upon visuals to help them understand new and difficult concepts. The rise and stunning popularity of the Internet infographic has given us a new way in which to convey data, concepts and ideas. But the visual portrayal of truth is not a novel idea. Indeed, God himself used visuals to teach truth to his people. The tabernacle of the Old Testament was a visual representation of man’s distance from God and God’s condescension to his people. Each part of the tabernacle was meant to display something of man’s treason against God and God’s kind response. Likewise, the sacraments of the New Testament are visual representations of man’s sin and God’s response. Even the cross was both reality and a visual demonstration. As teachers and lovers of sound theology, Challies and Byers have a deep desire to convey the concepts and principles of systematic theology in a fresh, beautiful and informative way. In this book, they have made the deepest truths of the Bible accessible in a way that can be seen and understood by a visual generation. If you are 16 or 18 or in your 20s, in school or just moving into marriage and career, there are many ways to invest your time. But the Bible is clear that none is better than the pursuit of godliness: in your speech, conduct, love, faith, and purity. As Paul told Timothy, set an example, be an example. Make your life a beautiful work of art. Why should we care about heaven? -- What is heaven like? -- When does a person go to heaven? -- Where is heaven? -- Who goes to heaven? From the author of the bestselling novel *The Shack* and the New York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God’s love. Now, in Wm. Paul Young’s first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we’ve presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the “Papa” portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God’s deep and abiding love. Unfortunately, in our time, even among Christians, discernment is long in demand and short in supply. Tim Challies reminds us that the Bible commands us to cultivate discernment, but he doesn’t stop there. He tells us how, biblically. Social media was made to bring us together. But few things have driven us further apart. Sadly, many Christians are fueling online incivility. Others, exhausted by perpetual outrage and shame-filled from constant comparison, are leaving social media altogether. So, how should Christians behave in this digital age? Is there a better way? Daniel Darling believes we need an approach that applies biblical wisdom to our engagement with social media, an approach that neither retreats from modern technology nor ignores the harmful ways in which Christians often engage publicly. In short, he believes that we can and should use our online conversations for good. For the modern Christian woman living in today’s sexually charged society, embracing God’s design for sex and purity can often feel like an impossible pursuit. As the culture seeks to normalize things such as pornography, erotica, and casual sex, both single and married women of all ages feel immense pressure to conform. With alluring temptations constantly inviting them to join in, they might even begin to question whether God’s design is truly good. They wrestle with questions like - What is the purpose of my sexuality? - What does it mean to pursue purity? - Are my sexual longings good or bad? In this encouraging book, Kristen Clark and Bethany Beal share honestly about their own struggles and victories, and invite women on a personal journey to discover and reclaim a biblical vision for their sexuality. Kristen and Bethany help women understand why God’s design for sexuality is good, relevant, and leads to true hope and lasting freedom. Josh Buice, Paul Washer, Steven Lawson, Conrad Mbewe, and Tim Challies discuss- The foundations, benefits, and weaknesses of New Calvinism In light of biblical theology and church history Spiritual discernment is good for more than just making monumental

decisions according to God's will. It is an essential, day-to-day activity that allows thoughtful Christians to separate the truth of God from error and to distinguish right from wrong in all kinds of settings and situations. It is also a skill-something that any person can develop and improve, especially with the guidance in this book. Written by a leading evangelical blogger, *The Discipline of Spiritual Discernment* is an uplifting, scripturally grounded work that explains the need for discernment, its challenges, and the steps that will cultivate it. Author Tim Challies does not do the discerning for readers; he simply shows them how to practically apply scriptural tools, principles, and wisdom so that their conclusions about everything—people, teachings, decisions, media, and organizations—will be consistent with God's Word. History tells of women whose love for the Bible shaped its earliest and most prominent teachers. It tells of women who were great theologians, yet whose only students were their children. It tells, time and again, of Christian men who owe much to their godly mothers. Come take a brief look at eleven of them, from the church's earliest days to now. Scriptural principles are practically applied to help Christians not only develop and define day-to-day spiritual discernment but regard it as an essential practice. This is a different sort of book. Or workbook. Or journal. Whatever it is, this resource from The Southern Baptist Theological Seminary is meant to help you discern whether or not God has called you to ministry. And it's meant for you to use and devour. You'll notice pages with blank space; those pages are for you to respond to questions, react to the quotations and reflect on the Scripture references you'll find throughout. So, open your Bible, get out your pen and discover whether God has called you to this most noble and weighty task. "To prepare yourself to make difficult medical decisions in a distinctly Christian way, you won't do better than to read *Between Life and Death*." —Tim Challies

Modern medical advances save countless lives. But for all their merits, sophisticated technologies have created a daunting new challenge, namely a blurring of the expanse between life and death. The dying process is often hidden behind a complex web of medical terminology, statistics, and ethical decisions, making it difficult for patients and loved ones to know how to approach the end of life in a dignity-affirming, God-honoring, faith-filled way. This book offers a distinctly Christian guide to end-of-life care. It equips readers by explaining common medical jargon, exploring biblical principles that connect to common medical situations, and offering guidance for making critical decisions. In these pages, readers will find the medical knowledge and scriptural wisdom they need to navigate this painful and confusing process with clarity, peace, and discernment. This far from ordinary devotional encourages readers to develop daily spiritual disciplines in key areas of their faith, including prayer, Bible reading, worship, and more. For years, writer Tim Challies has been posting spiritual insights from influential Christian thought leaders, helping his thousands of online followers mature in their faith. Now these inspirations are yours to discover in this one-of-a-kind devotional. This curated collection of quotes, along with stunning photography and corresponding devotions from Tim, challenges you to cultivate consistent spiritual habits, including... Prayer Bible reading Worship Evangelism Fasting Silence and solitude Gratitude Stewardship

If you desire to become more disciplined in your daily walk with Christ, *Words from the Wise* offers you small and simple opportunities to grow your faith in extraordinary ways. Greater age brings greater sorrow but also greater joy, especially to those who are in Christ. As we grow older, the Bible instructs us to age gracefully, wisely, and resolutely to the glory of God. To do this we must age in Christ and for Christ. What does that look like? What can we be doing now to ensure we finish this race strong? What really happened after Acts? If you've ever wondered what happened to the biblical characters after Acts—from the well-known Matthew to the lesser-known Bartholomew—then this book is for you. Join Dr. Bryan Litfin as he guides you through Scripture and other ancient literature to sift fact from fiction, real-life from legend. Skillfully researched and clearly written, *After Acts* is as accurate as it is engaging. Gain a window into the religious milieu of the ancient and medieval church. Unearth artifacts and burial sites. Learn what really happened to your favorite characters and what you should truly remember them for. Did Paul ever make it to Spain? Was he beheaded in Rome? Is it true that Peter was crucified upside down? Was the Virgin Mary really bodily assumed into heaven? The book of Acts ends at chapter 28. But its characters lived on. Jesus Calling® Bible stories with Jesus Calling devotions are now available for toddlers! Jesus Calling My First Bible Storybook includes simple Bible stories accompanied by short messages of Jesus' love for children. Delightful art makes this a perfect companion to Jesus Calling for Little Ones. You already know and love the Jesus Calling® brand, and the new Jesus Calling My First Bible Storybook is the perfect way to introduce your littlest ones to the Bible and to Jesus and His love. You and your family will enjoy this Bible storybook night after night. Uh oh, another book on modesty. And look, here's a surprise...it's written by men. Is that sort of what you're thinking? If so, we want to assure you that this book is different. We promise. When it comes to discussions of modesty among Christians, the problems you have probably experienced and the challenges we face as authors have the same root: expectations based on experience. Christians have come to associate any discussion of modesty as necessarily involving a certain focus and vocabulary. We just know that words like "spaghetti straps" and "bikinis" will very quickly become part of the conversation. Maybe even "head coverings." And when a man is the speaker or the author or the one leading the discussion? That's when women, in particular, often brace themselves, fearing an assault on their fashion sense and wondering if they are about to be blamed for all male struggles with sexual lust. Does he think I have to be ugly to be godly? We know this is a problem. We've read those books, heard those sermons, attended those small groups, and reviewed those pamphlets. And we are just as perplexed and frustrated as you are. That's why we knew from the start that this book had to be different. In the pages that follow, we are not going to focus on your wardrobe. In a sense, we don't even care about your wardrobe. But we care a great deal about your heart, and that is true whether you're a man or a woman. We want to see your heart so gripped by the gospel of grace that modesty becomes beautiful and desirable to you, not just in your wardrobe but in all of life. We want you to understand that modesty isn't just motivated by the gospel, it's an entailment of the gospel—it flows naturally from a solid grasp of the gospel. What are the spiritual gifts? Do all Christians have them? Have the miraculous gifts ceased? The topic of spiritual gifts is often a point of contention among Christians. In *Spiritual Gifts: What They Are and Why They Matter*, Dr. Thomas R. Schreiner, a leading New Testament scholar, answers these questions. Schreiner shares his personal experience related to spiritual gifts, but more importantly, he unpacks what the Bible has to say about them. In doing so, he brings a spirit of humility and charity, reminding us that though spiritual gifts are important, we can have unity in Christ even where we disagree. Don't try to do it all. Do more good. Better. I am no productivity guru. I am a writer, a church leader, a husband, and a father—a Christian with a lot of responsibilities and with new tasks coming at me all the time. I wrote this short, fast-paced, practical guide to productivity to share what I have learned about getting things done in today's digital world. Whether you are a student or a professional, a work-from-home dad or a stay-at-home mom, it will help you learn to structure your life to do the most good to the glory of God. In *Do More Better*, you will learn: Common obstacles to productivity The great purpose behind productivity 3 essential tools for getting things done The power of daily and weekly routines And much more, including bonus material on taming your email and embracing the inevitable messiness of productivity. It really is possible to live a calm and orderly life, sure of your responsibilities and confident in your progress. You can do more better. And I would love to help you get there. —Tim Challies
