Becoming Brave Apr 04 2021 Foreword INDIES 2020 Book of the Year Award (BRONZE Winner for Religion) "[A] powerful work. . . . Provides a road map for any Christian seeking greater racial justice."-- Publishers Weekly Reconciliation is not true reconciliation without justice! Brenda Salter McNeil has come to this conviction as she has led the church in pursuing reconciliation efforts over the past three decades. McNeil calls the church to repair the old reconciliation paradigm by moving beyond individual racism to address systemic injustice, both historical and present. It's time for the church to go beyond individual reconciliation and "heart change" and to boldly mature in its response to racial division. Looking through the lens of the biblical narrative of Esther, McNeil challenges Christian reconcilers to recognize the particular pain in our world so they can work together to repair what is broken while maintaining a deep hope in God's ongoing work for justice. This book provides education and prophetic inspiration for every person who wants to take reconciliation seriously. *Becoming Brave* offers a distinctly Christian framework for addressing systemic injustice. It

challenges Christians to be everyday activists who become brave enough to break the silence and work with others to dismantle systems of injustice and inequality.
