He was born a poor farm boy on a forgotten planet in the galaxy's Outer Rim. Taken under the wing of a wise mentor after the violent death of his family, he would rise up to lead a band of fighters struggling for survival against a dark force that threatens to wipe them out completely. His name would become known throughout the systems, and his legacy would change the galaxy forever. But his name isn't Skywalker...It's Jango Fett! The Sith have begun the final maneuvering in their quest to take over the galaxy and are looking for the perfect specimen to take part in their secret experiments. Lord Tyranus may have just found a prime candidate in Jango. Recounting Jango's story from his early days on the Fett farm, through the annihilation of the once proud Mandalorian warriors, to his transformation into the galaxy's most feared bounty hunter, *Open Seasons* offers an in-depth look at the most exciting new character from *Attack of the Clones*, and details the beginning of the infamous Fett legacy—one that would come back to plague the Rebellion a generation later. BEING A TEENAGER IS HARD ENOUGH WITHOUT ALSO TRAINING TO BE A JEDI.... Obi-Wan Kenobi has not been apprenticed long to Qui-Gon Jinn, and he is chafing at Qui-Gon's training style: all meditation, no action. Obi-Wan yearns to prove himself on a mission, but when he and Qui-Gon are finally set to leave on an assignment, Qui-Gon is nowhere to be found. Angered by his master's abandonment, Obi-Wan sets out on the mission alone, determined to prove himself. On a mysterious planet he encounters a pack of feral, Force-wielding teens who seem to be the planet's only inhabitants. As he experiences wild freedom with them and wonders if this isn't the life he was meant for, Obi-Wan can't escape the nagging sense that something is wrong with the Force there. Romantic complications, startling revelations, and a looming threat to both the planet and his new friends will bring Obi-Wan face-to-face with his worst fear: that maybe he was never supposed to be a Jedi at all. Can he connect with the living Force in time to save himself and everyone around him? It's the star of the Obi-Wan Kenobi Disney+ limited series as you've never seen him before.... He's the most feared and successful bounty hunter in the galaxy. He is Boba Fett, and even the most hardened criminals tremble at his name. Now he faces the deadliest challenge of his infamous career—an all-out war against his most dangerous enemies. As the Rebellion gathers force, Prince Xizor proposes a cunning plan to the Emperor and Darth Vader: smash the power of the Bounty Hunters Guild by turning its members against each other. Only the strongest and most ruthless will survive, and they can be used against the Rebellion. It's a job for the fiercely independent Boba Fett, who jumps at the chance to destroy his rivals. But Fett soon realizes the game is rigged, as he finds himself the target of murderous factions, criminal conspiracies, and the evil at the Empire's dark heart. Boba Fett has always finished first. And in this game, anything less is death. *The Mandalorian* is a space western television series set in the Star Wars universe created by Jon Favreau. The series follows the titular character, a bounty hunter known only as "The Mandalorian," as he travels through the galaxy completing various contracts. Set five years after the events of *Return of the Jedi*, the series explores the lawless outer reaches of the galaxy, far from the authority of the New Republic. The Mandalorian is a man of few words and a highly skilled fighter who is guided by a strict code of honor and duty. When he takes on a contract to capture a valuable asset, he discovers that it is a young child of the same species as famed Jedi master Yoda. The Mandalorian decides to protect the child and embarks on a dangerous journey to ensure its safety while being pursued by various enemies who want the child for their own purposes. The series plays out like a classic western, with The Mandalorian navigating through harsh environments while facing off against various foes and forming alliances with unlikely allies. *Journey to Star Wars: The Force Awakens* The second Death Star has been destroyed, the Emperor killed, and Darth Vader struck down. Devastating blows against the Empire, and major victories for the Rebel Alliance. But the battle for freedom is far from over. As the Empire reels from its critical defeats at the Battle of Endor, the Rebel Alliance—now a fledgling New Republic—presses its advantage by hunting down the enemy's scattered forces before they can regroup and retaliate. But above the remote planet Akiva, an ominous show of the enemy's strength is unfolding. Out on a lone reconnaissance mission, pilot Wedge Antilles watches Imperial Star Destroyers gather like birds of prey circling for a kill, but he's taken captive before he can report back to the New Republic leaders. Meanwhile, on the planet's surface, former rebel fighter Norra Wexley has returned to her native world—war weary, ready to reunite with her estranged son, and eager to build a new life in some distant place. But when Norra intercepts Wedge Antilles's urgent distress call, she realizes her time as a freedom fighter is not yet over. What she doesn't know is just how close the enemy is—or how decisive and dangerous her new mission will be. Determined to preserve the Empire's power, the surviving Imperial elite are converging on Akiva for a top-secret emergency summit—to consolidate their forces and rally for a counterstrike. But they haven't reckoned on Norra and her newfound allies—her technical-genius son, a Zabrak bounty hunter, and a reprobate Imperial defector—who are prepared to do whatever they must to end the Empire's oppressive reign once and for all. Boba Fett fears only one enemy--the one he cannot see.... Feared and admired, respected and despised, Boba Fett enjoys a dubious reputation as the galaxy's most successful bounty hunter. Yet even a man like Boba Fett can have one too many enemies.... When Boba Fett stumbles across evidence implicating Prince Xizor in the murder of Luke Skywalker's aunt and uncle, Fett makes himself an enemy even he fears: the unknown mastermind behind a monstrous deception, who will kill to hide his tracks. Fett also finds himself in possession of an amnesiac young woman named Neelah, who may be the key to the mystery--or a decoy leading Fett into a murderous ambush. Fett's last hope is to run through the list of Xizor's hidden enemies. And since Xizor's hidden enemies are almost as legion as Fett's, the chance of survival is slim--even for someone as skilled and relentless as Boba Fett. © 1999 Lucasfilm Ltd. and TM.
