Carson Porter thought she'd had one of her most challenging years to date when she began her transformation into a reaper, but little did she know her battle had only just begun. Faced with changes in her boyfriend, Derek, the fear of her sister being able to steal her powers through mirrors and having to fight her every step of the way to rescue even one soul, Carson was nearly ready to throw in the towel. Only she can't. During a visit from an angel, Carson learns that her destiny is far more important than even she realized-and far more deadly. Can she dig deep within herself for the strength and the perseverance that she'll need to carry out her mission? And will she have to do so without Derek or can she recover the man she'd once loved so desperately? Find out in the exciting conclusion of the Fahlen series, *The Reckoning*. A lady imprisoned by deafness, an architect imprisoned by his past, and a ghost imprisoned within the petals of a flower - intertwine in this Gothic love story that transcends life and death. Ridley Heller thought her life would be perfect and trouble-free once she had Bo back. Unfortunately, she couldn't have been more wrong. Learning Bo's true identity has left them with their most difficult decision yet. They have two options. One, they can run away together and spend eternity looking over their shoulder, hiding from both God and Sebastian. Or, two, they can find a way to kill Sebastian. Ridley feels like there's really only one choice, but killing Sebastian has a major down side for her-it will leave Bo mortal and her a vampire. She'll be doomed to walk the earth alone for all eternity. What will they choose? And who will have to die in order to see their goal accomplished? Find out in the exciting conclusion of the *Blood Like Poison* series, *To Kill an Angel*. ALL THE PRETTY POSES He never wanted to be a hero...until she needed him to be. Strength...It took Kennedy Moore years to put her life back together after Reese Spencer shattered it. But she did. Now, years later, strong and independent, she is in pursuit of a single dream--to dance with the Altman American Dance Theater. Unfortunately, Kennedy is learning that a girl from nowhere with no money and no contacts might never be able to reach her goal. That is, until Reese reappears, offering a once-in-a-lifetime opportunity that Kennedy just can't refuse. In exchange for working on his yacht for a few short weeks, he'll get her an audition with the famous dance troupe. All Kennedy has to do is keep her head down, work hard and resist Reese. That sounds easy enough, right? Weakness...Reese doesn't want to make it easy for Kennedy. Seeing her again has started a fire in his blood--an unwelcome one. It took him years to forget about her before, so this time he has a plan. It's simple: Get Kennedy on his yacht, seduce her, get her out of his system, move on with his life. That sounds easy enough, right? But the one thing Reese didn't plan for was Kennedy herself--a girl so strong yet so broken, she makes him want to rescue her, to take care of her. To save her. Even if he has to save her from himself. From the author of the New York Times bestselling *Bad Boys* novels comes another dark, sexy story... Is she brave enough to give her heart to a man she only thought she knew? He was the most charismatic man I'd ever met. Strong, tough, brave. Bold as hell. Something told me Tag Barton could have anything--anyone--he wanted...and he wanted me. It didn't matter that he was wrong for me in practically every way possible. It didn't matter that my father would hate it. I couldn't resist him. Even if I'd known who he really was and what he was really capable of. When he suggested we pretend to be engaged, I thought he was the answer to all my problems. He wasn't. And, in his wake, he left nothing but scorched earth and me, just another casualty of my father's war. Can I believe him now when he tells me he loves me? Or is he nothing more than a beautiful, breathtaking lie? Until I Break In love, sometimes what you fear most is exactly what you need. Laura Drake is an author. She writes bestselling paranormal romances that continue to top the charts. She is sharp. She is confident. She is in control. And she doesn't exist. Samantha Jansen is the woman behind the wig, the woman most of the world doesn't know exists. She is shy. She is insecure. She is nothing like her main character or her alter ego. She is scarred--deeply scarred--by a past she can't let go of and a present she can't make peace with. Samantha's dreams are consumed by one man, the broken hero from her books. Mason Strait is both her wildest fantasy and her most terrifying nightmare. When Samantha meets Alec Brand, a corporate consultant, it is as though Mason has come to life. Alec is handsome to a fault, as elegant as he is arrogant, and more intense than any man has a right to be. Samantha is soon sucked into a world that mirrors the fiction she writes. Just like her main character, Daire Kirby, Samantha finds herself unable to resist the forbidden lure of Alec. And just like Daire, she also finds that she is faced with taking a chance on a man who could either set her free or destroy her. The scale tilts

go, and trusting him with her heart. Includes a teaser from *The Wild Ones* From the author of the New York Times bestselling *Bad Boys* novels comes the first in a dark, sexy contemporary trilogy. Is she strong enough to trust the most dangerous man she's ever met? And is he strong enough to let her? How would I describe myself? Well, I'm Muse Harper. I'm a twenty-something painter who loves red wine, quirky movies, and men with a fatal flaw. But that was before I met Jasper King. He became my fatal flaw. Eight months ago, I had a choice to make—abandon everything I've ever known to protect my family, or stay and risk someone getting hurt. I chose the former. My plan was working just fine until I found out my father had gone missing. That's when I met Jasper. A bounty hunter with the eyes of a tiger and the nose of a bloodhound, he was supposed to help me find my father. What I didn't know was that meeting him was no accident. Hunting people isn't all that Jasper does. And helping me was only part of his plan. I just wish I'd found out sooner, before my heart got involved. But even then, I don't know if I'd have done things differently. Now, I have another choice to make—trust the man that I'm falling in love with and hope that he'll do the right thing, or run as far away from him as I can get. He's someone she can't trust... She's someone he thinks he knows... Violet Wilson is a wallflower. Shy, serious, and accident-prone, she's got a bad habit of being in the wrong place at the wrong time. The night she's forced to pose with her friend might just be the worst time of all—that's when she meets Jet Blevins. She knows better than to get involved with someone like him, but he touches her in ways she never expected, never wanted before. On the outside, Jet is a typical rocker, an arrogant lead guitarist who unapologetically lives a wild lifestyle. But on the inside, he's battling demons and using the stage to escape the troubles of his past and the addictions of his present. Until the night he sees Violet standing at the back of the room. She brings his life into focus. She knows his secrets. She's the girl he can't forget, and the one thing he craves more than his addiction. But can they ever hope to have a future when their very foundation is nothing but lies? A scorching hot love triangle you do want to get caught up in... When college student Olivia Townsend returned home to help her father run his business, she never imagined a complication like Cash and Nash Davenport - twin brothers different in so many ways but with one thing in common: an uncontrollable desire for Olivia. Cash is dangerous, sexy, and bad to the bone - a man whose kisses make Olivia forget she is playing with fire. Nash is successful, reliable and intensely passionate - and already taken. But Olivia is in for a surprise. These boys have a secret that should make her run away as far and as fast as she can. If only it wasn't too late. A sensual game between three players has begun, and it's about to spin deliriously out of control... If Sylvia Day, Samantha Young and Jamie McGuire captured your attention, *DOWN TO YOU* will have your imagination running wild. Four beautiful days. Three steamy nights. One breathtaking love. Levi Michaelson. He wanted four dates. Four opportunities to prove I could trust him. Four chances to change my mind about him. I agreed. Probably not my smartest decision. He was everything I knew to avoid—gorgeous, charming, sexy as hell—but I couldn't help myself. When he touched me the whole world disappeared. I should've known I could lose myself to him, that he could be the one man to destroy me. I guess it's true what they say—some things are too good to be true. And Levi Michaelson might just be one of them. Unzip this sexy, southern contemporary romance that's guaranteed to make you sweat and make you swoon! Standalone. HEA. Intended for mature readers. From the author of the *Bad Boy Novels* *Down to You* and *Up to Me* *Passion as hot as midnight in the South* and *love as wild as the horses they tame*. The darling daughter of a champion Thoroughbred breeder, Camille "Cami" Hines has a pedigree that rivals some of her father's best horses. Other than feeling a little suffocated at times, Cami thought she was happy with her boyfriend, her life and her future—until she met Patrick Henley. "Trick" blurs the lines between what Cami wants and what is expected of her—and he just happens to be so sexy she can't keep her hands off him. While they both know that Trick would lose his much needed job on the ranch if anyone finds out, they can't resist the lure of their scorchingly hot encounters. But when Trick stumbles upon a note from his father, it triggers a series of revelations that could ruin what he and Cami have worked so hard to overcome. It turns out there's more to Trick's presence at the ranch than either of them knew, and secrets with the power to tear them apart... First was *The Wild Ones*. Now, the next book in M. Leighton's *Wild Ones* series... How far will a good girl go for the bad boy she loves? Laney Holt is a preacher's daughter. A good girl. Her only goal was to get married, have babies, and live happily ever after, just like her parents. Only that didn't happen. The two people closest to her betrayed her, and Laney's dreams came crashing down. Now she's left with an empty space she doesn't know how to fill. Until she meets Jake Theopolis, a daredevil with a death wish who has heartbreaker written all over him. Jake has no interest in thinking beyond the here and now. All he wants out of life is the next rush, the next "feel-good" thing to keep his mind off the pain of his past. His latest rush? Showing Laney there's more to life than being a good girl—and that going bad can be so much fun. Her only concern now is how she can ever hope to satisfy the wild side of a boy like Jake. She's looking forward to trying. And so is Jake. If you love *The Wild Ones*, you'll be just as wild for M. Leighton's *Bad Boys* series which includes *Down to You*, *Up to Me*, and *Everything for Us*.
