But now, eight months later, after a whirlwind romance, Taryn wakes up in a Hollywood hotel room to find a diamond ring and her face on a glossy magazine. Slade Merrick is a sex addict. Other people see that as a problem, but he sees it as passion. When he meets Aspen he finds that he wants more for the first time in his life. I'm known for being an asshole. It suits me. I'm that guy who jokes about love and how settling down is overrated. Why would a guy ever fall for one woman when he can have as many as you want? Makes no sense to me. But if being a cop has taught me anything, it's that life is unpredictable. And that is exactly what Katherine is. I question my sanity on a daily basis because of that woman. Sometimes, she makes me want to keep her to myself, and other times, she makes me want to jump off a cliff just to get away from her. Yet, I still find myself turning into that little pussy I said I'd never be. Showing up at her front door holding flowers, only to have her throw them at me. Calling just to say hello, only for her to press ignore. Yeah, I've become a pussy all right. A whipped one, at that. At first she was a challenge, but now I don't like the fact that she is playing hard to get. But when someone comes after me, threatens my job, my life-it's her who stands by my side. It's her who has to pay for my sins, and it's her who I'm threatened to lose. One thing that you need to know about me is that I'll fight for what I believe in. And I believe in her more than myself. What's that saying? Boy meets girl and the rest is history... Well, those who fuck with what is mine will become history. Welcome to my world. The world of Parker O'Hare A thrilling new Victorian-era urban fantasy for fans of Kevin Hearne's Iron Druid Chronicles, the Showtime series Penny Dreadful, and the Sherlock

Holmes movies featuring Robert Downey, Jr. They are the realm's last, best defense against supernatural evil. But they're going to need a lot more silver. As fog descends, obscuring the gas lamps of Victorian London, werewolves prowl the shadows of back alleys. But they have infiltrated the inner circles of upper-crust society as well. Only a handful of specially gifted practitioners are equipped to battle the beasts. Among them are the roguish Simon Archer, who conceals his powers as a spell-casting scribe behind the smooth veneer of a dashing playboy; his layabout mentor, Nick Barker, who prefers a good pub to thrilling heroics; and the self-possessed alchemist Kate Anstruther, who is equally at home in a ballroom as she is on a battlefield. After a lycanthrope targets Kate's vulnerable younger sister, the three join forces with fierce Scottish monster-hunter Malcolm MacFarlane—but quickly discover they're dealing with a threat far greater than anything they ever imagined. The brother known as Hound has a

reputation. He's all about cracking heads, having a good time, and when the Chaos Motorcycle Club needs someone to do the tough job, they call on him. But Hound has a secret. He fell in love with a woman years ago. She's untouchable. Unattainable. And even when her status changes, for Hound, it remains the same. Keely Black had it all early and lost it all not long after. Thrown into an abyss of loss and grief, she's faced a life of raising two sons alone and battling the rage at all that had been ripped from them. And why. Words spoken in anger open Hound's and Keely's eyes. For Hound, he sees he's wasted his life loving the wrong woman. Keely sees she's wasting her life not opening herself to the love of a good man. When twenty-seven-year old pop sensation Brooklyn Heart steps in front of a microphone, her love songs enchant audiences worldwide. But when it comes to her own love life, the only spell she's under is a dry one. So when her label slots her for a Grammy performance with the sexy and soulful Jason Monroe, she can't help but entertain certain fantasies but there's a problem. Jason is a lyrical lone wolf that isn't happy about sharing the stage or his ranch with the sassy singer. An A-list movie star just wanted to be an actor. Never in his wildest dreams did he imagine a life where fans would chase him, paparazzi would stalk him, and Hollywood studios would want to own him. While filming in Rhode Island, he ducks into a neighborhood bar for a quick escape and finds much more than he expected. I've never been one to follow the rules...or the law, for that matter. But when you find yourself behind bars and being offered the opportunity of a lifetime, you take it. I agreed to race motorcycles for Johnny Knight. A very powerful man who wanted me on his team, even knowing I was a liability. But will he still feel that way once he finds out that I had a one-night stand with his daughter? I didn't mean for it to happen. I didn't even know who she was until she walked into his office wearing my shirt from the night before. Too bad that was all she wanted-one night. It really didn't matter who she was, I wanted more. So when she ran, I followed. I should have let her go. That would have been best for both of us. But I have never done what was right, why start now? I've always been willing to take a risk, no matter what it would cost me. And I knew she was worth it all. I'm Erik Dashling, you can call me Dash. This is my story of how I willing risked one dream for another. But everyone knows that now all dreams come true. ASHLYN I went against all I believed in and fell in love with what should have been a one-night stand! I fought it, tried to make up rules to prevent the inevitable, but somehow, he knew all along. He understood what I wanted and was willing to comply. I was the one who took him for granted. I was the one who made him walk away. And now, he's gone and I'm left with nothing but my thoughts and regrets. He was never supposed to be my happily ever after. But my favorite love story ends in tragedy, so why wouldn't mine? RYDER I played the white knight, doing what every woman dreams of to win her over, yet it still got me nowhere! But what did I expect? I wasn't the man she wanted! Nothing I could have done would have landed me the girl. I guess love is funny that way. One minute, you think you have the girl, and the next, you realize you were blinded. Walking away was hard, but watching her with another

man was harder. Sometimes you have to pick your battles, and I know when I've lost. Love shouldn't be a game, but I learned someone always loses. For once, I wasn't the one being selfish, but I was the one who paid the price. I'm a sinner with no regrets. I'm a man with no shame. I'm a lover with no soul. What am I? You're a loner with no friends. You're a beggar with no place to go. You're a face with no name. Who are you? It doesn't really matter what I am or who you are. Everyone has sin in common. But I pride myself on doing it better. Through the eyes of another, I am envied. If they only knew the wrath I have endured. Greed can be a motherfucker, but it is what makes us strive to be better. Lust can make you burn, but without it you would freeze to death. Some of us are a glutton for punishment and want to feel the pain that reminds us we're still alive rather than overcome by sloth. The lure of these seven deadly sins is like an addiction. And I intend to indulge in each of these unforgivable sins.
